

Marilyn's Musings Embroidery Price Sheet

For Specialty Items or Material

Some items have pricing schedules separate from the standard stitch tables. This is due to the fact that the setup and design time adds significantly to the stitch count prices. Minimum prices for these items are listed below and may be more for high stitch count designs.

Item	Minimum Price Each
Christmas Stockings	\$ 9.00

Certain types of material require additional stabilization above and beyond standard embroidery preparation. The following table lists add on pricing per item.

Item or Material	Add-on Amt
Performance Wear	\$ 1.00
Fleece Items	\$ 1.00
Sweatshirts	\$ 1.00
